The Parent-Child Mother Goose program is a group experience for parents and their babies and young children. The focus is on the pleasure and power of sharing rhymes, songs and stories, there are no toys, puppets or instruments - just language, eye contact and gentle touching to connect parent and child. Infant groups are from birth to approx. 11 months. Toddler groups are walking or 12 months to 2 ½ yrs approx.

Please Note: **Preference given to families who have not previously attended a Parent-Child Mother Goose Group. We will make every effort to confirm registration within 2 weeks of form completion – please check your e-mail within this time frame and reply promptly. Spaces will be confirmed on a first come first served basis. Thank you.
