Dingle Dangle Scarecrow

When all the cows were sleeping and the sun had gone to bed, up jumped the scarecrow and this is what he said
I'm a dingle dangle scarecrow, with a flippy floppy hat. I can shake my hands like this and shake my feet like that.
When all the hens were roosting and the moon behind the cloud, up jumped the scarecrow and shouted right out loud
I'm a dingle dangle scarecrow, with a flippy floppy hat. I can shake my hands like this and shake my feet like that.
When all the pigs were snoring and the stars were shining bright, up jumped the scarecrow and shouted with delight
I'm a dingle dangle scarecrow, with a flippy floppy hat. I can shake my hands like this and shake my feet like that.
