

# I hope family centre Olympic Update

## Dear Families

**For the duration of the Olympics, we plan to continue our regular programming. While this is a very exciting time for us on the North Shore, we have no idea what the impact on transportation will be.**

**As with potential snow closures, please call Family Services of the North Shore at 604-988-5281 ext. 233, after 9:00 a.m. to confirm that the *I hope family centre* is, in fact, open.**

**Thank you for your understanding and we look forward to seeing you during the month of February 2010.**
