Questions and Inquires

My Favourite I hope story is.....

Things we learned together at I hope are.....

Programs

Learning Together Through Play (LTTP)

Families embark on the adventure of learning together through play. Simple moments allow for inquiry, literacy, social skill development and create friendships that provide support for families to grow together through their lives. Your child will discover the joy of dramatic play, art, song, small and gross motor development and navigating the world with others.

Takaya First Nations Family Program

A family program for aboriginal families, combines family time with adult activity time while children are engaged in LTTP. Family time includes a shared lunch, circle, and playtime. Adult activities include life skills development, crafting and discussions. Families can access bus tickets, community resources and our toy/clothing exchange.

Parent-Child Mother Goose

A musical group experience for parents, their babies and young children. The focus is on the pleasure and power of sharing rhymes, songs and stories. There are no toys, puppets or instruments - just language, eye contact and gentle touching to connect parent and child. Infant groups are from birth to approx. 11 months. Toddler groups are walking or 12 months to 2 ½ yrs approx. Registration takes place three times per year.

Parent Education

Facilitated by certified parent educators, early childhood educators and registered clinical counsellors. Please contact us if you would like to book a Parent Educator on matters such as Positive Discipline, Coping with Transitions, Sibling Rivalry or other topics.

Family Support Counselling

Clinical counsellors and certified parent educators participate at LTTP to offer support to parents who are looking for guidance and practical assistance in order to more effectively parent their children. Reaching out for help when the job of parenting becomes overwhelming is a healthy way of coping.

Breastfeeding Postpartum Support Group

Facilitated by an internationally board certified lactation consultant, this group provides social connection, information, consultation and support for women in an empowering atmosphere where the wisdom of mothers is honored and shared. You can weigh your baby, get up to date information and problem solve challenges of breastfeeding and family life.

Clothing and Toy Exchange at Maplewood Location

We accept donations of clean toys and clothing for children birth to age six, as well as maternity clothes during hours we are open. Families are welcome to take what they can use.

Learning Together Through Play (LTTP)

A few helpful hints to make your visit smoother:

- ◆ **Is our open sign on ?** When we are open and have space - the light in our window will be on. Please talk with your child about alternate plans such as visiting MapleWood Farms, a play at the park or visiting another family resource program.
- ◆ **First steps.** Register, sign-in, create name tags for you and your child, and add your fruit/veggie donation to the basket.
- ◆ **Are you wearing gear to play outside?** Rain or shine, at Maplewood we play outside everyday.
- ◆ **Leaving early?** Consider leaving at transition times and letting your child know ahead of time that you will be leaving “after clean up” or “after snack”.
- ◆ **If you need a hand** while you grab a cup of tea or help a second child in the washroom, please ask a staff member for assistance.
- ◆ **Staff and resource people are full of good ideas,** have tons of experience (are parents as well as professionals) and know how to help you access the answers they don't have. Weekly resources are available by the exit and others are available.
- ◆ **Mornings are our peak times.** Please come only one morning a week and/or visit in the afternoons so everyone can enjoy our space.
- ◆ **Cell phones usage is allowed only in emergencies.** Please let staff know if you need to make an urgent call and step out of program to do so.

Loving Guidance During LTTP

Participating in play with your child provides a great opportunity to enhance your relationship.

- ♥ **Hear your child and follow their lead** - “Come play house with me!”
Listen to their request and whenever possible, accept the invitation.
- ♥ **Show respect for your child and others** – “I know it is hard to wait. Let's ask if we can use the toy when he is finished.”
Model courtesy to teach your child to be respectful.
- ♥ **Acknowledge your child's feelings** – “I know it's hard for you to share the toy.”
Demonstrate you understand that your child's feelings are real and important.
- ♥ **Offer choices that meet the needs of your child** - “It's snack time. Would you like to sit at the square table or the round table today?”
Provide appropriate choices and include your child in decisions to enhance their sense of independence.
- ♥ **Give calm, kind and firm directions** – “It's time to tidy up Let's put that toy back on the shelf.”
Remain calm while providing clear directions will let your child know that you trust their ability.
- ♥ **Create opportunities to overcome obstacles and develop coping skills** – “Oh no, your tower has fallen down! Let's pick up the blocks so you can build it up again.”
Demonstrate you believe in your child's ability.
- ♥ **Prepare your child for what will happen next** – “First we are going to take the snack dishes to the kitchen and then we will put on our coats and go to the farm.”
Include your child and tell them what they can expect to happen next.
- ♥ **Let your child know that challenges have solutions** – “That shape doesn't seem to fit in there. Maybe we can try a different one.”
Encourage your child to keep trying and honour their emotions.
- ♥ **Emphasize the process not the outcome** – “Look at all the paintings you have done today! You've been working very hard.”
Teach your child that their sense of self is not tied to the end result, but rather to the effort they have used along the way.
- ♥ **Model a positive attitude** – “I really like playing with you. I am having so much fun!”
Communicate positively to let your child know that you enjoy being with them.
