The Parent-Child Mother Goose program is a group experience for parents and their babies and young children. The focus is on the pleasure and power of sharing rhymes, songs and stories. Without toys or instruments, parent/child attachment is supported through eye contact, voice and gentle touch. Infant groups are from birth to approx. 11 months. Toddler groups are walking or 12 months to 2 ½ yrs approx.

Please Note: **Preference is given to North Vancouver families who have not previously attended a Parent-Child Mother Goose Group. We will confirm registration within 2 weeks of form completion – please check your e-mail and reply promptly. Spaces will be confirmed on a first come, first served basis. *For the West Vancouver group, priority will be given to West Vancouver families.
