

Parent-Child Mother Goose Program

Registration begins **Tuesday Sept 1, 2015 (9:00 a.m.)** online at
www.familyservices.bc.ca

The Parent-Child Mother Goose program is a group experience for parents and their babies and young children. The focus is on the pleasure and power of sharing rhymes, songs and stories. There are no toys, puppets or instruments - just language, eye contact and gentle touch to connect parent and child.

Infant groups are from birth to approx. 11 months. Toddler groups are walking or 12 months to 2 ½ yrs approx.

*For the West Vancouver group, priority will be given to West Vancouver families who have not previously attended a Parent-Child Mother Goose Program. **Preference is given to North Vancouver families who have not previously attended a Parent-Child Mother Goose Group.

We will confirm registration within 2 weeks of form completion – please check your e-mail and reply promptly. Spaces will be confirmed on a first come, first served basis.
