cisco.com/ca

Welcome to the 30th Annual Winter Family Ball

It is with heartfelt gratitude and the anticipation of a magical evening that we welcome you to the 30th Annual Family Services of the North Shore Winter Family Ball. This is going to be fun!

We must first say a big thank you to our Winter Family Ball Committee! It has been inspiring to watch their creativity, dedication and entrepreneurial spirit all come together to create this unique fundraising event for the entire family. What exceptional role models they have been for their children, families and community. Thank you all so much!

It is also a great privilege to have Sue, Bob, David, Ashley and Jackson Bauman as our Winter Family Ball Honourary Family Chairs this year and to acknowledge their 27 years of philanthropic giving to Family Services of the North Shore.

We recently asked Dave to share how he learned about the importance of giving back and he recalled his mother creating a library for underprivileged children in a parking lot in Kelowna. He reflected on how this taught him about empathy and how it connected his life to others in his community. A message he now passes on to his son, Jackson.

The money raised tonight will positively influence children, youth and families in our community who are struggling and need our help. It is also an opportunity to create conversations with our children about empathy for others and how giving back can not only change the world they live in, but their own lives too.

On behalf of the Board of Directors of the Agency and our staff, we thank you for joining us for this unique and cherished holiday tradition that supports our community throughout the year.

Julia Staub-French
Executive Director
Family Services of the North Shore

Neil Alexander
President, Agency Board
Family Services of the North Shore

Dear Friends and Family,

This year marks the 30th Anniversary of the Winter Family Ball, a very momentous milestone for a wonderful community fundraising event which my family has been participating in for almost as many years. It is families helping families, and perhaps more importantly, children helping children, and tonight our goal is to raise \$280,000 to provide critical support for North Shore children and youth at risk.

Our family is firmly committed to the sustainable funding of Family Services of the North Shore with an on-going monthly gift which we started many years ago. We believe it is a simple, affordable way to have a significant impact in making our community a safer place to raise our children. Now that we have a grandchild, giving back to ensure our community is safe is even more important to us. With this in mind, over the next five years, our family is pledging \$30,000, which is \$500 per month. This pledge will provide five counselling sessions a month for a child who has witnessed violence at home. Each family attending tonight can choose which Child & Youth Counselling and Prevention Program they would like their pledge to support, and if every family were to join us by pledging as little as \$500 this year, or \$40 per family a month, we will achieve more than one-third of our fundraising target for the evening.

Tonight, as you and your family celebrate this multi-generational holiday tradition, we hope you feel the positive energy that is created when we come together to give from the heart. Thank you for joining us for this special celebration tonight. We hope you have a memorable evening.

All the best,

Sue, Bob, David, Ashley and Jackson Bauman
2015 Honorary Winter Family Ball Family Chair

#fsnorthshore @FSNorthShore

FAMILIES HELPING FAMILIES

The true spirit of philanthropy comes through each year at our Winter Family Ball as guests make **Show Us Your Heart** donations to support programs and services that positively influence the lives of so many children, youth and families in our community.

Christmas Bureau Ensures that everyone enjoys a hearty meal on Christmas Day and every child receives a present on Christmas morning.

Child and Youth Counselling and Prevention Program Keeps our children and youth safe from sexual abuse, sexual assault, social exclusion and bullying.

I hope family centre Helps parents and children connect in healthy and secure ways through a play based early year's program.

Jessie's Legacy Offers eating disorder prevention support for children and parents.

YouthLAB Develops creative and effective outreach strategies to address five key mental health issues among their peers.

Violence Against Women and Children Counselling Program Helps vulnerable women transform their lives and protect their children.

The Importance of Family Philanthropy

The spirit of giving is always felt more profoundly during this time of the year and it offers us, as parents, the opportunity to reflect not only on why we give back and which causes are most important to us, but also on what messages we want our children to learn from our actions.

What do our philanthropic attitudes and actions teach our children?

Sharing our gifts, being kind and helping out others who are less fortunate in our community are powerful things for children to understand and by following our actions, our children will become more empathetic and feel more empowered to make a positive difference in the world.

What are the ways in which children can give back? Giving back can occur in many different ways. Choose the option that works best with your family commitments, values and budget. Here are a few ideas to consider when speaking to your children about giving back.

♥ Volunteer Time ♥ Raise Funds ♥ Donate Items ♥ Research Causes

Ask your child to tell you what others are needing and listen to their solutions. Let them dream big!

What does this mean for the Winter Family Ball?

During the **Show Us Your Heart** portion of the evening, our children will have the opportunity to make a donation to an area of the Agency that is most important to them. In order to make this giving portion of the evening more meaningful to our children, have a family discussion before attending the event to review the key Child & Youth Programs supported by the Winter Family Ball and decide as a family which program speaks to your heart.

Help Us Fill Our Family Tree

Our goal is to raise \$60,000 to support six of our programs for children, youth and families - and also give all of our children the opportunity to feel the positive energy created when they come together to give generously from the heart.

\$500 can change the course of a child's life.

It provides:

- 5 counselling sessions for a child or youth who is struggling in life
- 5 counselling sessions for parents who are worried about their child
- resources for a half day of service at our I hope family centre
- provides an opportunity for a talented youth to join our YouthLAB
- provides food and a hamper for one family struggling during the holidays
- 5 counselling sessions for a women or child experiencing violence

All donations are 100% tax deductible, and remember, if your company has a matching gift program, you can double your contribution!

BIDDING RULES

- The minimum bid amount will be indicated on the bid sheet. All starting bids must either match or exceed the minimum bid amount, by at least the minimum dollar amount. All subsequent bids must be higher than the preceding bid, by the minimum dollar amount.
- Auction items and services must be used within one year of the auction, unless otherwise stated.
- All values are approximate.
- Items may vary slightly from the information listed in this catalogue. There will be no exchange or refund on items, unless otherwise specified.
- We reserve the right to withdraw any item from the auction prior to the call for bids.
- All items are sold 'as is' and FSNS accepts no responsibility for the authenticity, condition or other matters affecting any item in any manner. No representation, warranty or assumption of liability, expressed or implied, is made by FSNS, in connection with any of these items, notwithstanding any statements to the contrary.
- Payment must be made in full with Mastercard, VISA, cash or cheque. Restrictions, additional fees and/or taxes may be applicable on certain items.
- Successful bidders are asked to take their items home the evening of the Ball. If this is not possible then mutually agreeable alternate arrangements may be made.
- In accordance with Canada Revenue Agency regulations, if the auction purchase price exceeds the items retail value by 25% (or more), the purchaser can receive a tax receipt for the portion of the auction purchase price exceeding the items retail value. Items deemed priceless (whose value cannot be determined) are not eligible for tax receipts.

Building brighter futures.

At TELUS we believe all youth deserve a safe and supportive place where everyone is welcome. We are proud to support the annual Winter Family Ball benefitting the Family Services of the North Shore.

Every customer helps us give where we live.
