### All the Little Ones Are Sleeping

*by Jean Ritchie*

*Chorus:*

All through the night,  
All through the night,  
All the little ones are sleeping.  
All through the night,  
All through the night,  
All the little ones are sleeping.

In a hole down underground,  
Little bunnies can be found.

*Chorus*

Sparrow sleeps up in a tree,  
My warm bed is best for me.

*Chorus*

Bless the babes and beasts and birds,  
All small things that have no words.

*Chorus*

## The Ants Go Marching

The ants go marching one by one.  
Hoorah! Hoorah!  
The ants go marching one by one.  
Hoorah! Hoorah!  
The ants go marching one by one,  
The little one stops to suck his thumb,  
And they all go marching down underground  
To get out of the rain.  
Boom, boom, boom...

The ants go marching two by two.  
Hoorah! Hoorah!  
The ants go marching two by two.  
Hoorah! Hoorah!  
The ants go marching two by two,  
The little one stops to tie his shoe,  
And they all go marching down underground  
To get out of the rain.  
Boom, boom, boom...

The ants go marching three by three.  
Hoorah! Hoorah!  
The ants go marching three by three.  
Hoorah! Hoorah!  
The ants go marching three by three,  
The little one stops to climb a tree,  
And they all go marching down underground  
To get out of the rain.  
Boom, boom, boom...

## A Smooth Road to London Town

A smooth road to London town  
A smooth road to London town  
The road goes up and the road goes down  
A smooth road to London town

But... by and by we come to a dell  
And there the road is not so swell  
A bumpy road, a bumpy road,

A bumpy road to London town

A smooth road to London town  
A smooth road to London town  
The road goes up and the road goes down  
A smooth road to London town

But... by and by we come to a wood  
And there the road is not so good  
A rough road, a rough road  
A rough road to London town

### Arabella Miller

*(tune: Twinkle, Twinkle Little Star)*

Put away your caterpillar!

Who lives down the lane.

Baa baa black sheep,  
Have you any wool?  
Yes sir, yes sir,  
Three bags full.

## The Baby Bear Waltz

*by Sally Jaeger and Kathy Reid-Naiman*

123, 123, waltzing with bears,  
123, 123, dance round the chairs.

123, 123, dancing with you.

123, 123, waltz round the room,  
123, 123, dance round the moon.  
123, 123, glide past the stars,  
123, 123, waltzing to Mars.

## Baby Beluga

*by Raffi*

Baby beluga in the deep blue sea,  
Swim so wild and you swim so free.  
Heaven above and the sea below,  
And a little white whale on the go.

Baby beluga, baby beluga,  
Is the water warm?  
Is your mama home,  
With you so happy?

Way down yonder where the dolphins play,  
Where you dive and splash all day,  
Waves roll in and the waves roll out.  
See the water squirtin' out of your spout.

Baby beluga, oh, baby beluga,  
Sing your little song,  
Sing for all your friends.  
We like to hear you.

When it's dark, you're home and fed.  
Curled up snug in your water bed.  
Moon is shining and the stars are out.  
Good night, little whale, good night.

Baby beluga, oh, baby beluga,

With tomorrow's sun,  
Another day's begun.  
You'll soon be waking.

Baby beluga in the deep blue sea,  
Swim so wild and you swim so free.  
Heaven above and the sea below,  
And a little white whale on the go.  
You're just a little white whale on the go.

Wiggle and jiggle and pull them up tight.  
Leg to the left, leg to the right,  
Wiggle and jiggle and pull them up tight.

Boing! Boing! Squeak!  
Boing! Boing! Squeak!  
A bouncing mouse is in my house.  
He's been here for a week.

And quickly settled in.  
I'm thankful that he came alone.  
I've heard he has a twin!

Fly to the east and fly to the west,  
Fly all around and come back home to rest.

Wherever she goes  
Because she loves to feel the wiggle of her toes,  
She loves to feel the wiggle of her toes.

Up above the world so high,  
Like a diamond in the sky  
Twinkle, twinkle, little star  
How I wonder what you are!

When the blazing sun is gone,  
When it nothing shines upon,  
Then you show your little light,  
Twinkle, twinkle, all the night.  
Twinkle, twinkle, little star  
How I wonder what you are.

Then the traveler in the dark  
Thanks you for your tiny spark.

How I wonder what you are.

Wiggle shoulders, wiggle nose  
Wiggle fingers, say hello.

### We're Going to Kentucky

We're going to Kentucky  
We're going to the fair  
To see the señoritas  
With flowers in their hair.  
So shake it baby, shake it,  
Shake it if you can  
Shake it like a milkshake  
And do the best you can.  
Rhumba to the bottom,  
And rhumba to the top  
And turn around and turn around  
And turn around and STOP!

### What Shall We Do With a Tiny Baby?

*(tune: Drunken Sailor)*

What shall we do with a tiny baby,  
What shall we do with a tiny baby,  
What shall we do with a tiny baby,  
Early in the morning?

Roll 'em around and tickle 'em all over!  
Roll 'em around and tickle 'em all over!  
Roll 'em around and tickle 'em all over!  
Early in the morning.

Way hey and up she rises!  
Way hey and up she rises!  
Way hey and up she rises!  
Early in the morning.

### When Goldilocks Went to the House of the Bears

When Goldilocks went to the house of the bears,  
Oh what did her two eyes see?  
A bowl that was huge,  
A bowl that was small,  
A bowl that was tiny and that was all,  
She counted them: one, two, three.

When Goldilocks went to the house of the bears,  
Oh what did her two eyes see?  
A chair that was huge,  
A chair that was small,  
A chair that was tiny and that was all,  
She counted them: one, two, three.

When Goldilocks went to the house of the bears,  
Oh what did her two eyes see?  
A bed that was huge,  
A bed that was small,

A bed that was tiny and that was all,  
She counted them: one, two, three.

When Goldilocks ran from the house of the bears,  
Oh what did her two eyes see?  
A bear that was huge,  
A bear that was small,  
A bear that was tiny and that was all,  
They growled at her: grr, grr, grr!
