

Virtual Thrive Parent-Child Mother Goose

Thrive Facilitators, Carol and Sally Anne, will lead a free registered Parent-Child Mother Goose for parents, caregivers and their children.

We will add to our repertoire of parenting tools with songs and stories that can be used throughout the day. Our group will be joined by community partners such as Dental Hygienist, Community Librarian and Child Care Resource and Referral to help you access resources to support your family.

For Infants, Toddlers, and Young Children (birth to age 6)
