CARING
SCHOOLS
INITIATIVES

Families in need of support during the holiday season continue to be impacted by the pandemic. We welcome your involvement in meeting this need and creating caring connections between people throughout our community.

CALLING STUDENTS NEEDING SERVICE CREDITS ...

Organize an initiative at your school or with your sports team/club and earn community service credits for school.

1. "SPRING CLEANING" WINTER CLOTHING DRIVE

Get ready for Spring! Students and their families gather clean, gently used winter outdoor gear they have outgrown to donate to North Shore families in need. High demand items: jackets, boots, gloves, toques, snow pants.

2. "SPRING CLEANING" LOST AND NOW FOUND

Clear the clutter! Schools donate any warm jackets, boots, gloves and toques from their LOST & FOUND that haven't been claimed by their original owners to North Shore families in need. We can arrange pick-up at your school if required.

3. COVID "CARE KITS"

Our vulnerable families are struggling to support their children in the way so many of us take for granted. Students/classes can help us fill COVID "CARE KIT" tote bags full of personal care products and necessities for families in need. High demand items (FULL SIZE): sunscreen, toothpaste, toothbrushes, bandaids, shampoo, conditioner, body wash, deodorant, body cream and face moisturizer.

Family Services of the North Shore is a non-profit, community based agency providing families and individuals with counselling, support, education, and volunteer engagement opportunities to help them reach their full potential throughout their lifespan, from birth to end of life, whenever they need us the most.
