

Family Services of the North Shore Thanks You!

Thank you for supporting children, teens, seniors, and families in our community. We want to share the difference your gift has made to our neighbours this Holiday season.

Read these words of appreciation and know it is because of you!

Thank you from a single mom.

"As a single mother, I was feeling down about needing help. The Christmas Bureau volunteers made me feel uplifted and like myself again. They are amazing and I am so thankful for the support."

Thank you from a senior who receives weekly meal deliveries.

"Thank you so much for the beautiful lunch, as well as for the box of chocolate you sent along for my birthday. I am so thankful for all of your kindness, bless all of you!"

Thank you from a family who received a personalized holiday gift basket.

"Thank you for making our Christmas brighter! Because of the gift cards we received, our teenage daughter could choose her own clothes and shoes for school. I haven't seen her that excited in a long time and she looks great!"

Thank you from a neighbour in need of connection.

"I've set up my phone so that when I receive a call from the Christmas Bureau, it shows a picture of an angel. It makes me feel like there is someone on my side who cares about me."
