## About Family Services of the North Shore

Family Services of the North Shore is a non-profit, community-based agency. For over 60 years, we have been committed to making a deep and lasting impact across the entire North Shore, from Deep Cove to Bowen Island. We offer counselling, support, education, volunteer engagement, and connection to build a healthy thriving community that supports and lifts up those that need extra help.

Every year, we serve over 10,000 individuals, couples, families, children, and youth with a wide array of essential mental health programs and services. We believe a community must look after their most vulnerable and that together we can make a difference. Together we can create a healthy community where everyone can live a full and meaningful life.

# Bubbles & BRUNCH

Together with a committee of dedicated community-minded women from the North Shore we have created a brand new spring event, Bubbles & Brunch. This event is to raise funds to support vulnerable women and children in our community. We need funds for our Gender-Based Violence Support Programs. With your help we can reach even more women facing physical, financial, sexual, emotional, and verbal abuse. Abuse and violence that, if left untreated, can cause significant and multi-generational problems. We want to ensure that women needing our support can access our services, receive free, long-term critical care immediately and reduce the long waitlists currently faced.

Bubbles & Brunch, hosted by Vancouver's 'Man About Town' Fred Lee, promises to be a lively and fun event that brings together people from our vibrant North Shore community, where they will sample sparkling wines, enjoy a delicious brunch, mix and mingle with friends, and celebrate and support women. We invite you to join us as we come together and honour the women who have made a difference in our lives, as we raise funds to make a difference in the lives of women in our community that need us most.

By sponsoring Bubbles & Brunch, not only will you be supporting vulnerable women on the North Shore, but your company will be showcased at a new, unique, and vibrant event, where you will gain exposure and recognition with a receptive audience of community-minded professionals who appreciate the value of your sponsorship and commitment to our community.

By aligning your company with Family Services of the North Shore, you are partnering with one of the most trusted voices in mental health in BC. With your exceptional partnership we can make a profound impact in women's lives.

**With special thanks to our committee of committed women, who dedicate their time & passion to support vulnerable women in our community:**
