

# Capacity Information

We understand it can be disappointing to arrive at Thrive and see the “Sorry We Are Full” sign.

To avoid frustration, it may be helpful to have a backup plan for you and your children in case this happens.

**PLEASE NOTE THAT OUR PARTICIPANT CAPACITY VARIES AND IS DETERMINED AT THE DISCRETION OF OUR STAFF.**

This decision is influenced by several factors, including the needs of our families, staff availability and the presence of new families.

If you have any questions please speak to our Program Managers: Sarah Beth Landry or Maryam Mottaghifar.

We appreciate your understanding.
