Be a Corporate Sponsor of

Bubbles & BRUNCH

I wanted to create space for open, even loud conversations about gender-based abuse — so anyone who has experienced it knows there is no shame, no stigma, and support is here.

Changing lives together

Bubbles & BRUNCH

PRESENTED BY WHEATON PRECIOUS METALS

An incredible $920,000 has been raised since 2024 to uplift the women in our community!

Through last year's Bubbles & Brunch fundraiser, we once again witnessed a community come together and show their support of vulnerable women and children on the North Shore. Together, we raised $400,000 for our Gender-Based Violence Support Programs enabling us to assist more women encountering various forms of abuse.

We want to ensure that more women needing our support can access the necessary mental health services, and receive free, long-term, critical care immediately and reduce the long waitlists currently faced.

By sponsoring Bubbles & Brunch you will not only be supporting vulnerable women, but your company will be showcased and gain unique exposure and recognition amongst a receptive audience of community-minded professionals who appreciate the value of your commitment to our community.

We invite you to join us for this lively and fun brunch that brings together people from our vibrant North Shore community and make a difference in the lives of women and their families who need us most. With your exceptional partnership we can make a profound impact in women's lives.

With special thanks to our 2027 committee who dedicate their time & passion to support vulnerable women in our community:

Connie Green - Chair
Charlotte Gill, Samantha Gutmanis, Kristy James, Leslie Meredith,
Kate Milliken Binns, Jana Mollica, Heidi Rootes,
Danielle Sleiman, Michelle Taylor, Beck Williams, & Erica Winterfield.

Strong women lift each other up. Anna at Family Services did just that for me. With her help I began healing from domestic violence and rebuilding my life as a single mom. My 2 boys are thriving thanks to Anna, I couldn't have raised such amazing boys without taking that first step and getting the support I needed.
